HUTCHISON'S 149 SURE TO WIN HIM PLACE IN FINALS

Jim Barnes Stages Comeback
Over Monday and Turns
In a 72.

By WILLIAM L. HUNTER.
Former British Amateur Golf
Champion, Written for I. N. S.
SANDWICH, England, June 20.—
Jack Hutchison of Chicago open-
ing his title of British open
golf champion, today assured him-
self of a place in the qualifying
round by returning a 78 for the
final 18 holes. This, with Hutchi-
son's 71 of yesterday, breaking the
course record, gave him a medal
score of 149 for the 36 holes.

Hutchison did not play nearly as
brilliantly as he did yesterday, al-
though he did fairly well in mak-
ing the turn in 25. His direction
was bad at times, however, and
twice his ball sought the bunkers
that await the unwary.

Barnes Comes Back
Jim Barnes, however, staged a
brilliant comeback after his medi-
ocre round of yesterday by scoring
a fine 72 for a medal score of 154.
The American champion started out
at a remarkable clip being three
under four for the first nine holes.
He required exactly five puts for
the first five holes.

In addition, Barnes' long driving
was a distinct feature and his re-
covery from traps was brilliant.

Joe Kirkwood, the Australian, also
shot a 72 today and took the lead
among the early scores with a total
of 147 for the two days play.

Jim Barnes, the American open
champion, had his work cut out for
him to qualify for the succeeding
rounds that lead up to the title.
Barnes fell into a trap of hard
luck yesterday and the best he could
score was an 82.

Hagen Favorite.
Walter Hagen, the other Yankee
entry, played sound golf and is one
of the prevailing favorites. So is
Joe Kirkwood, the Australian. This
pair, with Maxey and Boomer of
France, and a score or more of
English and Scotch players, are
expected to furnish Hutchison plenty
of competition.

The late return of Boomer of
France and Roger Weathered, the
British amateur, well up with the
leaders. Boomer had a 36 hole
total of 72-79-151 and Weathered
76-77-153.

Walter Hagen, despite the fact
that he was playing in a stiff game,
turned in a 72 today, making his
total for the two days 147. He was
tied for the low score with Kirk-
wood.

Maxey went around in 82, which
with his 78 yesterday gives him 160
for the qualifying round.

Mays of the Broadway club, New
York, returned a card of 87 today
for a total of 165.

Willie Hunter went around in 81
for a total of 160. George Duncan
shot a 79 today for a total of 169.

WILSON MUST BOX OR LOSE HIS TITLE

Middleweight Champion Fails
to Answer Tex Rickard's
Overtures.

NEW YORK, June 20.—The New
York athletic commission which to-
day declared Johnny Kilbane's right
to the featherweight boxing cham-
pionship would no longer be recog-
nized in this state because of his
failure to accept a challenge by
Johnny Dundee had not announced
his decision in the case of
Johnny Wilson, middleweight title
holder, pending efforts to match the
latter with Harry Greb.

Promoter Tex Rickard, after
making fresh overtures for the con-
test, had received no reply from
Wilson late Tuesday night. The
commission's recent ultimatum,
had expressed his willingness
to fulfill a contract, made some time
ago with Rickard, to meet the new
light heavyweight champion.

The commission in a formal state-
ment earlier Tuesday announced it
would recognize Dundee and Danny
Frush, of Cleveland, as the leading
contenders for the championship
declared vacated by Kilbane and
that a match between the two prob-
ably will be negotiated in the near
future.

At the same time the commission
said Dave Rosenberg, of Brooklyn,
"having observed all the rules and
regulations regarding challenges,
will receive first consideration as
challenger for the middleweight
championship."

It was added that negotiations to
bring Rosenberg and Greb in the
ring with the title at stake had been
started.

GAS CO. DOWNS Y. M. C. A. IN TWILIGHT BALL GAME

The City Gas Co. in door baseball
team slipped over a 19 to 9 victory
on the Y. M. C. A. team yesterday
afternoon at Leeper park in the
Twilight indoor baseball league.

The Y. team came near forging
to the front in the eighth inning
when they scored three runs in a
hitting rally and tied the count. In
the ninth the Gas Co. put over the
winning marker. This afternoon at
5 o'clock the Real Estate Dealers
will play the Firemen A team at
Leeper park in a regular scheduled
Twilight league game.

There is one thing always bound to
put off till tomorrow—borrowing
trouble.

Tops Own Mark

"Chick" Evans

"Chick" Evans

In a practice round yesterday at
Chain O' Lakes the celebrated
"Chick" Evans turned in a card of
76, which betters his best previous
mark by two strokes. This is the
best score recorded at the Country
Club since Walter Hagen's record
round of 69 made in 1920 during the
Vardon-Ray-Hagen-Evans match.
Seventy, which is two strokes under
par in an exceptional score for the
Chain O' Lakes course as the soft
yielding turf does not give much
run to a ball, making a long aerial
same necessary. Ten of the 18
greens are elevated which adds to
the difficulty of the course, and
with its many water hazards as well
as some rough, Chain O' Lakes can
be ranked with some of the really
hard par links of the country.

EASTERNERS FEAR WASHINGTON CREW IN RIVER CLASSIC

Naval Oarsmen, One Time
Favorites for Classic, Will
Have Tough Pull.

BY HENRY L. PARRELL.
(U. P. Staff Correspondent.)

NEW YORK, June 20.—Anything
that comes from the far west now-
adays causes eastern athletes to get
ready for a fall.

After having the two track clas-
sics taken to the coast by the Califor-
nia team, the east is getting the no-
tion that the Washington crew
might sneak up from behind in the
intercollegiate rowing championship
at Poughkeepsie, Monday, and de-
liver another rabbit crack on the
neck.

BRENNAN BOUT TALK MERE SMOKE SCREEN

Brennan Lined Up as Buffer
to Make Negro Anxious
for a Contract.

BY DAVID J. WALSH.
I. N. S. Sport Editor.

NEW YORK, June 20.—For reasons
more or less obscure, wise
cracks are making peculiar
Broadway, are insisting that when
Jack Kearns reaches here tomorrow
or Thursday, he will immedi-
ately succumb to the lure of the
dotted line and make the Dempsey-
Willie extrajudicial reality. Sober-
ing in all probability, will be fur-
ther from the oblique intentions of
the same Mr. Kearns.

Interests Mutual.
It is not that Kearns has already
signed with Floyd Fitzsimmons for
a Labor Day fight, involving the
obliging Bill Brennan. That piece
of little nonsense can be disposed of
by a word, for Kearns is Fitzsim-
mons and Fitzsimmons is Kearns as
far as mutual interests are con-
cerned.

But neither Kearns nor Fitzsim-
mons wishes to dispose of Brennan
until he serves his purpose. They
have lined him up as a buffer be-
tween Dempsey and Willie, and just
by way of emphasis for good mea-
sure, they talk right on beyond
Brennan to Jess Willard and Harry
Greb. Proceeding along that line,
a year or more will pass on before
Kearns leads an war to anything
with might or to say.

DUNN LEAVES LARGE ESTATE TO WIDOW

CHICAGO, June 20.—The entire
estate of James Dunn, former own-
er of the Cleveland American league
baseball club valued at \$390,000 was
left to his widow, Edith Dunn, in a
will filed for probate in Judge Paul
Corkle's court here today.

The will requested, but did not
demand, that Mrs. Dunn, as long as
she keeps her interest in the base-
ball club, retain E. S. Barnard as
president and Speaker as manager.

The document requests that
Speaker, as manager, be given full
power to buy and sell ball players,
contract for men, and conduct all
other negotiations and business in
connection with the management of
the club. Dunn asked that Speaker's
judgment and decision be ac-
cepted as final in all matters per-
taining to the club.

If Mrs. Dunn ever decides to dis-
pose of her interest in the Indians it
was Dunn's desire that she
consult with Speaker, Barnard and
Walter McNichols and "be guided
by their advice."

Mrs. Dunn was made the sole
executrix and was not required to
give surety to the bond placed at
twice the value of the estate—
\$780,000.

THORPE RELEASED WHEN HE FAILS TO HIT CURVE BALLS

Greatest of Football Players
Turned Loose by Portland
Ball Club.

BY BILLY EVANS.

Ten years ago Jim Thorpe, the
famous Indian, was hailed as the
greatest all-round athlete in the
country.

The other day the wires carried
the news item that Jim Thorpe had
been released by the Portland club
of the Pacific Coast league to make
room for younger blood.

It was in 1912 at Stockholm that
Jim Thorpe in the Olympic games
won the decathlon championship,
the hardest test in all-round ability
that track and field sports offer.

Later Thorpe was stripped of all
the honors won at Stockholm as he
was found to be a professional ball
player in a town circuit in the south.

The release of Thorpe by Portland
probably marks the passing of the
greatest athlete from the world of
sport. At least it will take him
very much out of the limelight.

Thorpe was unquestionably one
of the greatest athletes in the his-
tory of sport. He could do every-
thing well. On the track and field
he was a star, on the gridiron his
great feats are still the talk of the
sporting world.

Jim's Poorest Sport

Baseball was Thorpe's poorest
sport, yet as a ball player, Thorpe
had much natural ability.

On the gridiron Thorpe was a won-
der at carrying the ball and was
equally good on defense. He was
fleet of foot, a very hard man to
tackle, and as an open-field runner
had few equals.

In the kicking line Thorpe was
just as proficient. The records of
football's greatest kicking feat-
fully bristle with the name of
Thorpe.

Weak at Bat

Jim's glaring weakness as a
ball player was at bat. He could
murder a fast ball. When he hit one
in his groove, and got those mus-
cular shoulders of his behind the
drive, the ball would certainly travel.

One time he achieved considerable
reputation as a home-run hitter.
The old curve ball was the trou-
blesome one for Jim. He just
couldn't resist slicing away at the
curve. As a result pitchers began
to feed Jim on a curve ball.

Jim drove him from the major
and slaved him down in the minors.
Thorpe was a colorful athlete.
One of his type bobs up in the ath-
letic world once in about every hun-
dred years.

WILLIAMS GETS 18th HOMER AS BROWNS WIN

ST. LOUIS, June 20.—The Browns
ramped over Philadelphia Tuesday,
compelling Connie Mack to use
without avail, four pitchers and
three pinch hitters. Kenneth Will-
iams slugged out his 18th home
run of the season in the 5th inning,
putting the ball over the right field
stand and bringing in Sister who had
tripled ahead of him. Eckert was
in the box. Hauser, batting for Eck-
ert, duplicated Williams' perfor-
mance in the sixth.

visitors to even up the series, 9 to 4.

Games, New Yorkers Win
One From Indians.

Cleveland, O., June 20.—After
losing eight games in a row, New
York finally broke its disastrous
streak Tuesday, winning from Cleve-
land 6 to 5. Uble was driven from
the box in the third inning while
Morton's poor support allowed New
York to score three more runs. Bush
and Hoffman, Uble, Morton,
Bagby and O'Neill, Sewell.

FABER WEAKENS IN 13th AND SENATORS WIN OUT

CHICAGO, June 20.—Urban Faber
weakened in the 13th inning Tues-
day and Sam Rice started a rally
by stretching a single into a double,
which enabled Washington to score
three runs and defeat Chicago 9 to
6. Rice hit safely in his last five
times up and also played great ball
in the field, making hard catches
which robbed the locals of hits and
possible runs. The game was one
of the hardest fought on the local
diamond this season. Score:

Molla Imitates the Proverbial Clam; Refuses to Talk

Mrs. Mallory Assumes "Wait
and See" Attitude as Ten-
nis Battle Nears.

By CHARLES M. MCCANN.
U. P. Staff Correspondent.

LONDON, June 20.—With a
"wait and see" attitude, Mrs. Molla
Mallory, the American tennis cham-
pion, has relapsed into a
fighter's grim silence on the eve of
a battle.

Although all London is talking
about the prospects of a London
Mallory duel in the British cham-
pionships next week, Mrs. Mallory is
saying nothing to give the gossip
food for talk because—she has been
instructed to keep silent.

"I have received instructions from
America to smile sweetly and say
nothing," Mrs. Mallory told the
United Press today. "I can't smile
sweetly but I can refrain from talk-
ing."

The American woman refused to
affirm or deny that she had received
instructions from the United States Lawn
Tennis ass'n but this is thought un-
likely as she made the trip over "on
her own" and is not officially the
representative of the United States
ass'n.

She only laughed when asked if
her husband had ordered her to
do her fighting on the courts.
